Subject: FYI - using this to help with data memo to resident: Nitrate info
Attachments: Press Release June 2018 (4).docx; Nitrate in Drinking Water Fact Sheet - WDNR.pdf

Will be sending a revised version of memo for your review. I am pulling things from the attached.

Best wishes,
Heather

I have not gotten a response from Barb Theis at the Juneau County Health Department yet. I believe these are the documents that she said she would send to me – the Juneau/Wood County press release and the WDNR nitrate fact sheet. Barb said that we could include her name and number as a health department contact. Her number and email are (608) 847-9373, btheis@co.juneau.wi.us
